Deliberative Process / Ex. 5

Hi,

Deliberative Process / Ex. 5

Also, as opposed to what we said last week, why don't you send the files to Vince, Gina, and myself and one of us (them! Since I'm outta here!) will send to Lynn as the ERC submission.

So....to sum up:

1. Clean versions of the tox review and supplemental
2. Latest version of the charge
3. Agency review comments and responses
4. Interagency comments (ATTACHED HERE) and response document used during the meeting
5. List of science issues (or Factsheet including the issues)
6. Any explanation of comment bubbles or highlighting left in the text in the documents

Good luck!
